## Service Offering

### B-BBEE ADVISORS

In order to achieve desired scorecard, a solid plan of action needs to be formulated. Oko Vusa provides sound strategic guidance focusing on all the elements.

### OWNERSHIP

Allow Oko Vusa to walk you through the options to develop an ownership model that suits your needs now and into the future.

### SKILLS DEVELOPMENT

The spend target on the Skills Development scorecard has doubled to 6% of salaries and wages cost. For many businesses Skills Development poses a real challenge to comply.

### ENTERPRISE AND SUPPLIER DEVELOPMENT

How much is your business spending with Black owned companies? Will you hit the 40% of total spend target under the new B-BBEE Codes and avoid the level-drop penalty?

### SOCIAL ECONOMIC DEVELOPMENT

Are your company's contributions to SED having the greatest impact possible? What value are you deriving from SED initiatives? Speak to us to learn more.

### DUE DILIGENCE

What do you know about the people working in and around your business? Have you assessed all the risks? Our Due Diligence reports look at a variety of factors to help make an informed decision about any given supplier.

### CORPORATE GOVERNANCE

Essential to the effective and efficient operation of any business or organisation is good corporate governance. Entrenched in good governance are the principles of Transparency, Accountability, Efficiency, and Effectiveness.

### STRATEGIC GROWTH PARTNERS

Partnering with business to accelerate growth, innovation and profitability.

#### About

Oko Vusa was created by the demand from business for a more sophisticated approach to compliance and the regulatory environment, particularly around B-BBEE and Transformation. A lack of oversight and control over process has left business feeling hand-tied and in the dark. Our mission is to create a structured business environment that brings clarity, understanding, and measurability to the process.
